1 Introduction

Vous trouverez ici tout le travail fait en cours, notamment sur Moodle.

Après avoir lu les chapitres sur les verbes irréguliers et le vocabulaire, cherchez votre classe dans la table des matières à gauche, et consultez-en le vocabulaire, les définitions, les traductions etc. vus en cours.

2 Les verbes irréguliers

2.1 Principes

Les verbes irréguliers s'apprennent en trois colonnes :

- · La Base Verbale (BV)
- · Le Prétérit
- · Le Participe passé

2.1.1 La Base Verbale (BV)

Précédée de to, la Base Verbale constitue ce que l'on appelle l'infinitif.

À noter que le **présent simple**, utilisé pour parler des habitudes et vérités générales, ressemble à s'y méprendre à la BV. La seule différence visible est à la troisième personne du singulier, où le verbe prend un <-(e)s>1.

2.1.2 Le prétérit

Le prétérit est utilisé pour parler du passé.

Des trois formes, le prétérit est la seule qui soit véritablement conjuguée.

Pour rappel, pour qu'une phrase soit correcte, il faut qu'elle ait un groupe nominal sujet qui gouverne un verbe conjugué.

Prenons par exemple le verbe forget (forgot, forgotten), et ajoutons "John" devant :

- 1. John forget
- 2. John forgot
- 3. John forgotten-

Des trois suggestions ci-dessus, seule la deuxième, **John forgot** ("John a oublié"), compose une phrase correcte.

2.1.3 Le participe passé

Le participe passé s'emploie avec HAVE ou BE.

- Avec HAVE: Le participe passé permet de renvoyer à une action qui est envisagée comme passée. Le fait qu'il ne soit pas conjugué permet de combiner ce renvoi au passé avec l'expression d'hypothèses ou de situations irréelles.
 - Exemple : John must have forgotten → "John a dû oublier".
- Avec BE: le participe passé revêt alors un sens passif. Le sujet du verbe subit l'action.
 - Exemple: The book was written in 1932 → "Le livre a été écrit en 1932".

2.2 Rappels

2.2.1 Les verbes réguliers

Les verbes réguliers fonctionnent selon les mêmes principes.

Ils sont appelés "réguliers" parce que leur prétérit et leur participe passé se construisent tous deux en ajoutant le suffixe <-(e)d> à leur BV :

- play → played, played
- decide → decided, decided

2.2.2 Conjugaisons de "BE"

Singulier	Pluriel
am	are
are	are
is	are

Singulier	Pluriel
was	were
were	were
was	were

¹Ceci est valable pour tous les verbes sauf *BE* (qui se conjugue entièrement), *HAVE* (qui devient "has"), et les 5 auxiliaires modaux, qui eux sont invariables.

2.3 Tableau des verbes irréguliers

2.2.2.2 "BE" au prétérit

Base Verbale	Prétérit	Participe passé	Traduction
beat	beat	beaten	battre (coeur) devenir commencer (se) courber parier

think	thought	thought	penser
throw	threw	thrown	jeter
understand	understood	understood	comprendre
wake	woke	woken	réveiller
wear	wore	worn	porter (vêtement)
win	won	won	gagner
write	wrote	written	écrire

3 Le vocabulaire

Comment constituer une liste de vocabulaire anglais?

Le vocabulaire s'apprend plus efficacement si la liste de mots reflète certaines caractéristiques grammaticales.

Voici pour les principales catégories grammaticales quelques conseils sur les informations à inclure dans votre liste de vocabulaire. Ces conseils sont assortis de quelques rappels et astuces.

3.1 Les noms anglais

En anglais, certains noms peuvent se mettre au pluriel, d'autres ne le peuvent pas.

Les premiers sont dits "comptables", les deuxièmes, "incomptables".

3.1.1 Les noms comptables

Ces noms prennent obligatoirement un article au singulier. Ils se mettent généralement au pluriel avec le suffixe <-(e)s>.

Conseil : Dans votre liste de vocabulaire, faites précéder les noms comptables de l'article indéfini "a".

Exemple: "a tool" \rightarrow "un outil".

3.1.2 Les noms incomptables

Ces noms ne peuvent pas se mettre au pluriel.

Conseil : Dans votre liste de vocabulaire, indiquez les noms incomptables par "(U)", pour "uncountable".

Exemple : "evidence (U)" \rightarrow "des preuves".

3.1.3 Bon à savoir

- **3.1.3.1 Mots courants incomptables** Attention aux noms suivants, qui ne se mettent pas au pluriel en anglais :
 - information (U)

- furniture (U) ("meuble")
- advice (U) ("conseil")

Pour dire "un meuble" ou "un conseil", on dira "a piece of furniture" ou "a piece of advice".

3.1.3.2 Singuliers avec <-s> Les mots suivants ont un <-s> au singulier :

- a series ("une série")
- a means ("un moyen")
- a species ("une espèce")

Attention aussi à the news ("les nouvelles"), qui est toujours singulier.

3.1.3.3 Pluriels sans <-s> Inversement, il existe des noms qui peuvent ou doivent se conjuguer au pluriel :

- the police est toujours pluriel.
- staff, team ou family peuvent se conjuguer au pluriel.

3.2 Les adjectifs

Les adjectifs anglais sont invariables, et se placent avant le nom.

"Des maisons bleues" → blue houses.

Conseil : Dans votre liste de vocabulaire, indiquez bien la préposition avec laquelle l'adjectif se construit.

Exemple: "similar to" \rightarrow "semblable à".

Voici quelques exemples d'adjectifs fréquents se construisant avec des prépositions différentes du français :

- responsible for → "responsable de"
- dependent on → "dépendant de"
- addicted to → "accroc à"
- interested in → "intéressé par"
- $good at \rightarrow$ "bon en"
- different **from** → "différent de"
- worried about → "inquiet de"
- surprised at → "surpris par"

3.3 Les verbes

Conseil : Dans votre liste de vocabulaire, faites précéder les verbes de "to" afin de les distinguer des autres catégories grammaticales.

Exemple: "to row" → "ramer"

Comme les adjectifs, les verbes s'apprennent avec leur construction.

3.3.1 Les verbes transitifs

On distingue les **verbes transitifs directs**, qui admettent un complément d'objet direct, des **verbes transitifs indirects**, dont le complément est séparé du verbe par une préposition.

Considérez les exemples suivants :

- to listen to stg → "écouter qqch"
- to look **for** stg \rightarrow "chercher qqch"
- to look at $stg \rightarrow$ "regarder qqch"

Dans ces exemples, le verbe anglais est transitif indirect, tandis que le verbe français est transitif direct.

À l'inverse :

to obey sb → "obéir à qn"

Conseil: Dans votre liste de vocabulaire, indiquez la construction du verbe avec "stg" ("something") ou "sb" ("somebody").

Exemple : "to blame sb for stg" \rightarrow "reprocher qqch à qn"

3.3.2 Les verbes intransitifs

Ces verbes se contruisent sans complément, et par conséquent ne peuvent se mettre au passif.

Exemples: "to rain", "to lie", "to rise".

3.3.3 Bon à savoir

3.3.3.1 Une confusion fréquente Ne confondez plus :

- "rise (rose risen)" et "raise";
- "lie (lay lain)" et "lay".

Intransitif	Transitif
to rise (rose risen) \rightarrow "élever" to lie (lay lain) \rightarrow "se situer"	to raise stg $ ightarrow$ "lever qqch" to lay stg $ ightarrow$ "poser qqch"

Notez aussi que les deux intransitifs, "rise" et "lie", se prononcent avec /aɪ/ comme dans "high".

Les deux transitifs se prononcent eux avec /eɪ/, comme dans "say".

3.4 Les adverbes

Les adverbes fonctionnent comme en français : ils qualifient généralement un verbe et son complément de la même manière qu'un adjectif qualifie un nom.

Attention à l'emplacement des adverbes dits "de fréquence", qui s'insèrent souvent entre le sujet et le verbe conjugué :

• He **often** speaks to himself \rightarrow II se parle souvent à lui-même.

3.5 Les prépositions

(W.I.P.)

Les prépositions sont des mots suivis d'un Groupe Nominal, ou d'une forme verbale en <-ING>. Leur premier sens consiste souvent à localiser les choses dans l'espace ou le temps.
